

EDS WASTE SOLUTIONS, INC.— RESIDENTIAL WASTE POLICIES

- Residential service includes 10 bags or cans (30gal capacity) containing kitchen and household trash only and must be in suitable containers weighing no more than 50 pounds each.
- Large items such as furniture, appliances, construction debris (drywall, metal, bricks, wood, carpet, flooring, roofing, siding, and other heavy materials, will be handled as extra volume and special charges will apply. Contact EDS 303-278- 8600 directly to arrange pickup and payment. CKSII HOA is not responsible for payment. Note: HOA members can dispose of large items, with some exclusions, during the annual large item pickup at no additional cost.
- Christmas trees are an additional charge of \$5.00. All trees must be under 7 feet in length. Contact EDS directly and arrange for payment. CKSII HOA is not responsible for payment.
- Up to (4) tied bundles of branches will be accepted each week, cut into four-foot lengths or less & 36 inches round or less.
- Hazardous Materials are not accepted. (Paint, motor oil, batteries, animal carcasses, etc). Fifty-five gallon drums are not accepted.

Additional to the normal residential volume listed above:

- During the spring/summer (Apr. 1- Oct. 31) EDS will accept up to (10) thirty gallon bags per week of lawn debris (leaves, grass clipping, weeds) each bag weighing no more than fifty pounds. For the Fall/Winter seasons (Nov 1- Mar. 31) EDS will accept (5) bags of lawn debris each weighing no more than fifty pounds.
- Winter policy. A valid attempt will be made to pickup trash. However, if the road is deemed too slick by EDS driver, and no pick up occurs, then the volume will be picked up on the next scheduled service day.
